

## SYST'AM CUSHIONS DIMENSIONS AND WEIGHT CAPACITIES

The limits weight depend on first hand on the patient measurements, morphology and wheelchair sizes.  
 This recommended Max. weight limits grid is a guideline and is without guarantee.  
 The efficiency must be controlled in each case.

REF	DESIGNATION and DIMENSIONS (W X D X H)		Recommended Max. weight limits (lbs)
<b>POLYAIR : 2 compartments air cells cushion, delivered with a pressure gauge and repair set</b>			
P301C3636	POLYAIR 60 cushion. Size 14" x 14" x 2.4"		130
